UNITED STATES OF AMERICA,

Plaintiff,

v.

KYLE SIDNEY FREEDMAN
FLOURNOY,

Defendant.

Case No. 18-CR-0826-VAP

ORDER OF DETENTION AFTER
HEARING (18 U.S.C. § 3148(b):
Allegations of Violation of Pretrial
Conditions of Release)

On motion of the Government involving an alleged violation of conditions
of pretrial release, and a warrant for arrest,

1. The Court finds there is:

☐ probable cause to believe that the defendant has committed a federal,
state, or local crime while on release and/or

☒ clear and convincing evidence that the defendant has violated a condition
of release; and

2. ☒ Based on the factors set forth in 18 U.S.C. § 3142(g), there is no
condition or combination of conditions of release that will assure that the

1 defendant will not flee or pose a danger to the safety or any other person
2 or the community;

3 --risk of flight: instant allegations

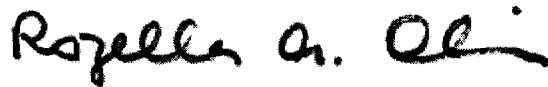

4 --danger to the community: instant allegations; previous orders to show
5 cause why bond should not be revoked

6 ☐ The defendant is unlikely to abide by any condition or combination of
7 conditions of release.

- 8 3. ☐ There is probable cause to believe that, while on release, the defendant
9 committed a federal, state, or local felony, and the presumption that no
10 condition or combination of conditions will assure that the person will
11 not pose a danger to the safety of any other person or the community has
12 not been rebutted.

13
14 IT IS THEREFORE ORDERED that the defendant be detained pending
15 further proceedings.
